FUHSD's Bus Pass Program Overview

In the 1980s, due to budget cuts and decreasing enrollment, the District made the difficult decision to close Sunnyvale High School in the northern part of the district. Additionally, the District closed the Transportation Department and discontinued district-wide bussing services. The District and the Board of Trustees made a commitment to provide public transportation passes to those furthest north in the district through the District's Bus Pass Program.

This document provides detailed information on the procedures of the District's Bus Pass Program.

Qualifications

Students who reside in zip codes 94089, 94085, or 94086 qualify for a free monthly bus pass regardless of income.

Where to Pick-Up the Bus Pass or Tokens

Students can pick-up passes in the ASB Office during the last week of each month until the 10th of the following month.

Additional Information

- Bus passes are not transferable to other students. Transferring a bus pass from one person to another will result in the automatic revocation of the bus pass for the remainder of the school year.
- If a bus pass is lost or stolen, the District will only replace one bus pass per school year.
- There are three types of passes – day pass token, monthly bus pass, and Summer Youth Pass. Day tokens are given out on shorter months (August and June), monthly bus passes are given out September through May, and Summer Youth Passes (June-August) are given to those students who are attending summer school.
- If students have applied for the bus pass program and are enrolled in summer school, they can pick up their Summer Pass (June-August) in the ASB office before the last day of school.

Student Bus Pass Agreement

When a student accepts a bus pass from the District they agree to adhere to the items below to ensure a safe and comfortable experience for all riders.

All school rules apply while riding the bus including but not limited to:

- Report any issues or misconduct to your Dean
- No smoking or vaping on vehicles, stops, stations or transit centers
- No graffiti
- No music without headphones
- No food or open drink containers
- One person per seat
- Put trash in designated receptacles
- Never interfere with the safe operation of a bus
- Talk softly at all times. Excessive noise is an unsafe distraction to the bus driver
